

TITLE!SNAP

GET IT NOW!

One app, three calculators and a whole lot of convenience!

If you've used Title!Snap, you already know how convenient it is to generate net seller sheets and premiums and fees for resale and refi. If you haven't tried Title!Snap, now is the time. This one-of-a-kind app for Realtors® & Lenders is faster and better than ever!

HERE ARE JUST A FEW OF THE NEW TITLE!SNAP FEATURES:

- Users can now access existing contacts when emailing from the app
- E-mail can now be sent from the app to multiple addresses at once
- Ability to save and re-run your last six quotes
- A loan estimate format option for loan officers to comply with the new CFPB regulations that went into effect on October 3, 2015
